### Instructions

Lay the paper you wish to embroider on a foam mat (a mouse pad works well for this). Secure a star pattern on top of the paper with removable adhesive. Using a stylus, needle or pin, poke a hole through both layers of paper. Remove the pattern and embroider. Detailed stitching instructions can be found at: [www.handcraftedgreetings.com/emrstar.php](http://www.handcraftedgreetings.com/emrstar.php) and [www.handcraftedgreetings.com/emrsstar.php](http://www.handcraftedgreetings.com/emrsstar.php)
