## Square Frame for Reverse Pyramid Paper Tole

These instructions and the pattern illustrated below are for a 3.5" x 3.5" picture with a thickness no more than one quarter inch. For a different size and thickness you will need to modify it accordingly.

- Cut a square 4.5" x 4.5"
- Score  $\frac{1}{4}$ " and  $\frac{1}{2}$ " on all four sides
- Remove a rectangle  $\frac{1}{4}$ " wide x  $\frac{1}{2}$ " high from all four corners
- Cut two tabs (a & b) on all four corners as shown
- Fold up on all blue score lines making sure to crease the folds well.
- Glue tab a over tab b on all four sides.
- Slide your finished picture into the frame.
- Glue combined tabs a/b to c.
- Fold and glue the ends of the remaining left and right side flaps (d) over ends of the top and bottom of the frame (e).
