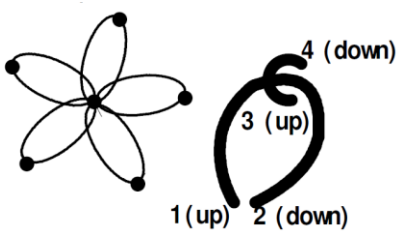
Lazy Daisy:

Punch holes in each flower as shown by the black dots in the enlarged diagram to the right.

To stitch a daisy petal, bring the needle up at the center hole. Pull all of the thread through and then pass the needle back down through the same hole, leaving a loop on the top side of the card. Bring the needle up through one of the holes at the tip of a petal and catch the loop from step one with your needle. Stitch down in the same hole (seel illustration)



Repeat for each petal. Stitch a yellow French knot in the center of each flower *Note: Stitch 1 and 2 are both done in the center hole. Stitches 3 and 4 are both done in the hole at the tip of the petal*
